Dear Parents and Guardians of our St. Constance Students,

St. Constance School celebrated its 106th anniversary this 2022-2023 school year! Since 1916, your chosen school has provided a high quality Catholic education in the Jefferson Park community. Throughout this time we've worked hard to ensure our students grow spiritually, academically, and socially to become thoughtful and courteous neighbors to our entire community.

St. Constance School continues to provide a strong Catholic identity, excelling in academics and offering special programs for grades PS-8 that help our children grow into well-rounded individuals. This past year, our school was blessed to be supported by the Big Shoulders program and specifically the Kazma Family Foundation. Over the years, this support has allowed us to undertake many initiatives to provide programs and resources that ensure our children continue to grow and excel in academics.

St. Constance has additional benefits, including smaller student to teacher ratio, extended care by a certified teacher, Title I services for qualifying students, organized sports and school band programs, and enrichment programs.

We understand the sacrifices that you, our school families, must make in order to give your children the opportunity to receive a quality Catholic education at St. Constance. We have tried to keep our tuition rates competitive and reasonable, but due to significant increases in operating expenses, it is necessary to increase tuition rates slightly for the 2023-2024 school year.

PRE – SCHOOL and PRE – KINDERGARTEN 2023- 2024:

PROGRAM	ANNUAL TUITION	MONTHLY PAYMENT

It is important that all families are able to send their children to St. Constance, regardless of income level; therefore financial assistance is available based on need. All families who would like to be considered for a tuition scholarship need to fill out an application form, which will be available in the school office. The application is analyzed by FACTS Grant & Aid Assessment Service.

A **referral bonus of \$250 per student** will be credited to their tuition to existing families recruiting new students in 2023-2024, if you are the family named as the referring family on the new registration application form.

So, remember when talking to family, friends, co-workers, parishioners, alumni or others, tell them what sets St. Constance apart. With additional students to bring class sizes to their capacity, St. Constance will be better able to continue on the road to self-sufficiency.

On behalf of the teachers, staff, school board and parish, I appreciate your commitment to St. Constance School. Together, we will keep St. Constance a great school and an asset to Jefferson Park. Please contact me directly if you have any specific questions.

Sincerely,

Eva M. Panczyk, Principal
