

St. Robert Bellarmine/St. Constance

Sports Registration is NOW OPEN!!!

While we recognize the uncertainty that currently exists for the 2020-21 school year as well as school sports, we now are preparing for our sports seasons! We are currently awaiting decisions from the State of Illinois (and IHSA), the City of Chicago, the City Suburban Conference, and the Chicago Archdiocese. At this point, there are certainly positive signs that both in-person school and sports are a good possibility. The current IHSA Update, which likely would be closely followed, can be found here....

We have included all forms and requirements on-line. We will not be collecting registration payment until we receive a clear go-ahead from the Archdiocese, City and State. You may begin the process of registration for ANY SPORT by going to the link below to complete the 2020-21 Participation Form, which is required for any student participating in a sport. Please note that Sports Physicals must be completed before athletes are permitted to begin practice.

Once again St. Constance will be joining forces with us on all of our sports teams.

Our two fall sports with deadline approaching are **Soccer** and **Cross Country**. The deadline for soccer registration is **August 1st**. Teams must be submitted to the conference by the end of July, so any decisions regarding the number of teams we are able to enter is due then. The deadline for cross country is **August 20th**, although practice may begin before then, so don't delay and wait until the deadline if possible.

We hope to have enough participants for both JV and Varsity co-ed soccer teams.

For JV soccer this year, we will continue to use the same uniform as basketball and volleyball, so if you aren't moving up and still have a uniform that fits, you won't be required to purchase another uniform. New varsity soccer players will purchase new soccer uniforms. Shin guards are required but must be purchased separately.

Cross Country is also co-ed as teams compete at the JV girls, JV boys, varsity girls and varsity boys levels. For those interested, it is possible to join both soccer and cross country as the conference makes sure the soccer games do not conflict with cross country meets. Several of our athletes competed in both sports the last couple of years and the two sports dovetailed quite well.

You can read the specific registration forms for important dates and other information for each sport. At this point, all dates are tentative as the conference has not sent official dates yet.

If you no longer have a student attending SRB and would like to be taken off this email list, please let us know.
